## Did You Know:

"Go Tell It on the Mountain" is an African-American spiritual compiled by John W. Work dating back to at least 1865 that has been sung and recorded by many gospel and secular performers. It is considered a Christmas carol because its original lyric celebrates the Nativity of Jesus.

The son of a church choir director, Work graduated from Fisk University (AB 1895, MA 1898). He taught Latin and Greek at Fisk, becoming chair man of the Latin & History Departments in 1906. From 1923 until his death, he served as president of Roger Williams University in Nashville, Tennessee. Work was a pioneer in collecting, performing, and preserving African-American folk music.
