WORSHIP IS NOT PASSIVE.. give your bodies to God. Let them be a living and holy sacrifice the kind He will accept. When you think of what he has done for you, is this too much to ask? **Romans 12:1**

Did You Know:

Eddie Espinosa says this about his song, "Change My Heart Oh God." It is a heart cry song that came to me after a time of being in the presence of God during a private time of worship. The experience that I had was very similar to that of Isaiah, chapter 6. During my time of being in God's presence, sin and attitudes of the heart were suddenly glaring me in the face. I realized that in order for me to walk uprightly before the Lord, I needed a heart transplant. I desperately needed for God to change my heart in order to love the things that He loves and to hate the things that He hates. I also was aware that only He could change my heart. I began to sing without paying attention to the melody, it just flowed from the depths of my being.
