Turn Your Eyes Upon Jesus: The author and composer of this hymn, Helen H. Lemmel, relates that one day, in 1918, a missionary friend gave her a tract entitled Focused. The pamphlet contained these words: "So then, turn your eyes upon Him, look full into His face and you will find that the things of earth will acquire a strange new dimness." These words made a deep impression upon Helen Lemmel. She could not dismiss them from her mind. She recalls this experience following the reading of that tract: "Suddenly, as if commanded to stop and listen, I stood still, and singing in my soul and spirit was the chorus, with not one conscious moment of putting word to word to make rhyme, or note to note to make melody.
